

## Amazing DVD+R Double Layer Burning: LITE-ON DVD Dual Drive

### SOHW-832S

( Support All of The Fastest DVD Recordable Media: 8X DVD+R & 8X DVD-R )

The latest DVD recording technology, DVD+R DL ( Double Layer ) burning, has been implemented into LITE-ON new ATAPI/E-IDE 8X DVD Dual drives: SOHW-832S. You may record 8.5GB data or 4-hour DVD-quality video on one DVD+R DL disc, with double recordable capacity than previous single layer DVD+R disc (4.7GB, 2-hour DVD Video). You don't need to prepare 2 blank DVD+R discs to backup the same-size contents. The DVD Video playback of DVD+R DL discs is workable on current DVD-ROM drives & DVD players.

This DVD Dual Drive is also able to write single layer DVD+R & DVD-R media at 8X maximum, rewrite DVD+RW & DVD-RW media at 4X, and read DVD-ROM media at 12X maximum. It takes around 10 minutes to backup 4.7 GB data on a certified single layer DVD+R / DVD-R media at 8X. It can save you a lot of time and trouble for data storage. This drive is not only a powerful DVD ReWriter but also an Ultra-Speed CD-RW drive. It can write CD-R media at 40X maximum, rewrite Ultra-Speed CD-RW media at 24X maximum, and read CD-ROM media at 40X maximum. SOHW-832S has the best CD-R & CD-RW writing/rewriting performance in the current market of 8X DVD Dual ReWriters. No matter what you want to backup important or personal data from ( digital still camera, digital camcorder, TV, etc.), SOHW-832S is your best choice for recording large volumes of DVD audio & video. An amazing LITE-ON 8X DVD Dual Drive with DVD+R DL burning function can meet your desires for DVD title creating and multi-media applications on PCs. Built-in SMART-BURN technology provides buffer-under-run-free function and great media compatibility for high-speed writing DVD+R / DVD+RW / DVD-R / DVD-RW / CD-R / CD-RW media. Innovative SMART-X technology provides smooth & stable Audio CD / VCD / DVD playback and high-performance DAE / VCD / DVD data extraction. 2MB buffer memory is available for stable DVD recording. Power saving function is also ready.
