- › Internal cable management
- › Masonry and timber stud mounting hardware included

Atdec's full motion mounts offer users the greatest level of flexibility and can be adjusted to suit any viewing angle. The full motion mounts give users complete control over tilt, pan and rotation capabilities to ensure a tailor-made viewing angle every time. Atdec's versatile line of full motion mounts includes swivel capability, articulated arms, swing arms, TV arms, LCD and plasma adjustable arms. All of the mounts fold flat against the wall for the least amount of room intrusion. Atdec's brilliantly engineered and ergonomic mounts offer sophisticated cable management capability.
