The all-new
Motion CL900

The CL900 is the latest tablet PC from Motion. Our knowledge, passion and total dedication to producing the absolute best tablets built for business is second to none. We are exclusively and relentlessly focused on improving the productivity of mobile workers. **The CL900 is the result.**

Lightweight and Highly Mobile

- Only 2.1 lbs.
- Up to eight hours of battery life
- 4:1 battery charging ratio
- Built-in wireless connectivity
(mobile broadband with GPS, Bluetooth[®], WLAN)

* Battery life varies by configuration, applications in use, utilized features and operating conditions. Maximum battery capacity decreases with time and use. Motion battery life estimates based on MobileMark[®] 2007 performance testing.

Superior Display

- Delivers clear visibility even in bright sunlight
- 10.1" screen featuring HD 1366 X 768 resolution
- Added durability with Corning® Gorilla® Glass
- Incorporated DuPont Vertak™ to improve visibility

Input Modes

The CL900 is the first 10-inch rugged tablet that enables both multi-touch and active stylus input on a display.

Supports Multi-touch and Active Stylus input

Active Stylus (optional)

Rugged from the Inside Out

The CL900 is designed for the challenging conditions highly mobile workers face every day and is far more durable than any other comparably priced tablet.

- Meets MIL-STD-810G (48-inch drop)*
- IP 52 rated; water, dust and splash resistant
- Standard Solid State Drive (SSD)
- Works in challenging field conditions

* Tested by independent, third party lab to MIL-STD-810G and IP-52 specifications. Accidental damage not covered under standard warranty. Optional additional warranty protection available.

Architected for Versatility

- Architected for future expansion with optional, integrated, transaction modules
 - (MSR, barcode, fingerprint reader)
- Standard front and rear facing cameras
- Optional countertop docking station includes expandability options
- Flexible carrying solutions

Connectivity and Enterprise Support

Non-stop Connectivity

- Integrated 802.11 a/b/g/n WLAN
- Integrated Bluetooth® 3.0 Module
- Optional Integrated Mobile Broadband with GPS capabilities (Gobi™ 3000)
- Wireless SIM slot

Enterprise Support and Service

- Runs Windows® 7 Professional for business integration
- 1.5 Ghz “Oak Trail” Intel® Atom™ processor
- Optional, integrated, transaction modules
