

## **PSI2VI.5**

### **12V DC 1.5A Switchmode Regulated Plugpack**

#### **Individual Output Leads for Screw Terminal Connection**

- Regulated
- EMI Filtered
- Slimline for use with all power boards
- Light Weight
- Overload Protection
- Short Circuit Protection

Input: 100-240VAC 50/60Hz

Output: 12VDC 1.5A

Average Efficiency: >75%
