

PS24V1.25

**24V DC 1.25A
Switchmode Regulated
Plugpack**

Individual Output Leads for Screw Terminal Connection

- Regulated
- EMI Filtered
- Light Weight

- Overload Protection

- Short Circuit Protection

Input: 100-240VAC 50/60Hz
Output: 24VDC 1.25A
Average Efficiency: >80%
Safety Approval no. NSW22824
Made in China

PS24VI.25

24V DC 1.25A Switchmode Regulated Plugpack

Individual Output Leads for Screw Terminal Connection

- Regulated
- EMI Filtered
- Light Weight
- Overload Protection
- Short Circuit Protection

Specifications:

Input: 100-240VAC 50/60Hz

Output: 24VDC 1.25A

Average Efficiency: >80%

Safety Approval no. NSW22824

Made in China
